

# CREATING A **FUNDRAISING PAGE OR FUNDRAISING TEAM** FOR 100 LAPS OF HEALING

Register online @ [steps-together.org/100laps](https://steps-together.org/100laps) (It's Free!)  
Automatically create your team & individual fundraising page while registering.

Want to set a lap goal and enable pledges?  
Log into RunSignUp  
In the upper right hand corner, click Profile.  
Find your team fundraiser and select Edit Fundraiser.  
Use the PLEDGES menu to set your team goal.

The screenshot shows the RunSignUp website interface. At the top left is the "ONE HUNDRED LAPS OF HEALING" logo. The main navigation bar includes "RACE INFO", "EVENT INFO", "SIGN UP", "FIND A PARTICIPANT", and "DONATE". A "Sign Up" button and a "Donate" button are also visible. A user profile dropdown menu is open, showing options: "Race Dashboard", "Profile", "My Races", "RunSignUp.com", "Sign Out", and "Help". A yellow arrow points from the "Profile" option to the "100 Laps of Healing" event banner.

The event banner displays "100 Laps of Healing" and "Run May 5, 2019". Below the banner is a section for "Team Newman" with a photo of the team and a "Group Details" link. A yellow arrow points from the "Group Details" link to the "Edit Fundraiser" button.

The "Edit Fundraiser" button is located in a sidebar for the "Team" fundraiser. It shows the date "May 5, 2019" and the goal "Goal: \$200". Other options include "View Donations" and "View Roster". A yellow arrow points from the "Edit Fundraiser" button to the "PLEDGES" menu item in the top navigation bar.

The "PLEDGES" menu item is highlighted in the top navigation bar. Below the navigation bar, the "100 Laps of Healing" banner is partially visible, with a yellow arrow pointing to the "PLEDGES" menu item.
